To find out more about this, speak to a Partner in your local branch or call us.</p> <p>The tax advantages depend on your individual circumstances and the tax treatment of your ISA may change in the future.</p> <p>Your account will mature into a Cash ISA Saver (off bonus) at the end of the term. We'll contact you before this happens with your options.</p> <p>If you aren't happy with your Fixed Rate Cash ISA, you can cancel within 14 days without charge. You'll still be able to open another cash ISA account in the same tax year with us or another provider.</p> <p>You can also close your account after 14 days subject to the charge above, but you won't be able to open or subscribe to a cash ISA with a different provider until the next tax year.</p>

AER stands for Annual Equivalent Rate and illustrates what the interest rate would be if interest was paid and compounded once each year. Gross rate is the contractual rate of interest payable before the deduction of income tax. Tax free is the contractual rate of interest payable where interest is exempt from income tax. Tax treatment depends on your individual circumstances and may change.
